Mr. Mark P. Dillon
Head of Information & Evidence Unit
Office of The Prosecutor, International Criminal Court
The Hague, The Netherlands.

Re: genocide of drug users – your reference OTP-CR-272/18

Dear Mr. Dillon,

The Drugs Peace Institute sent you two communications regarding the incitement to genocide of drug users by Mr. Donald Trump, the president of the United States of America, on January 1 and 27, 2019, respectively.

As receipt and inscription in the Communications Register of your Office of an earlier Drugs Peace Institute communication of June 26, 2018, was acknowledged by you, our Institute wonders what reason may motivate the absence of such acknowledgement for our last two communications.

You may appreciate that the decisions taken by the Prosecutor pursuant to art. 15 of the Rome Statute regarding the information provided by the Drugs Peace Institute communications are of crucial importance to us and that the Institute therefore wants to ensure their good receipt.

To this end I may herewith again send you the two communications and ask you to please confirm their receipt and inscription. I may thank you in advance for your kind attention.

Sincerely yours,

Adriaan Bronkhorst Büller
Drugs Peace Institute
